The University of Cambodia is a cutting-edge institution of higher learning. It is driven by 21st century standards and a strong culture of academic excellence. We propel our students to meet the pressing demands of globalization, at the national, regional and international levels. The University encourages students to respond to the call for interdisciplinary research, teaching, and training. Students are challenged to rethink the structure and purpose of higher education in Cambodia, using a composite of razor-sharp thinking and analytical skills acquired through the institution. As part of our expansion, we are now looking for highly qualified candidates to fill the following positions:

Associate Dean for College of Media and Communication (Newly open)

Requirements: MA in Media and Communication Studies, or other relevant fields with minimum of 4 years working experiences with academic institution. Be able to provide academic counseling to the students and instructors under their respective college, textbook development and review. Possess strong personal and organizational skills; work well independently and as part of a team; demonstrate strong networking and communication skills; willing to work hard and learn from experience; highly motivated and creative, honest, responsible; demonstrate critical thinking; be dedicated to the mission of the university; have a good command of English and computer literacy.

Note: Only short-listed candidates will be contacted for interviews. Salary is negotiable. Please submit your CV with a cover letter explaining your specific qualifications for the position you apply for, and submit a copy of your diploma/certificate to the Human Resources Department, The University of Cambodia, by no later than 4 April 2014, at 5:30pm.
